- a) Rational Numbers b) Exponents
c) Squares and d) Square Roots**

3. Revise the syllabus of Periodic 1 i.e.Ch -1, 2, 3.

SCIENCE

Hope you all are safe and healthy and doing well at home.

1) In early 2020 after December, 2019, the World Health Organization (WHO) identified a new disease spreading very quickly around the world i.e. COVID 19 as pandemic.

Make a PPT on COVID 19 keeping the following points in view:

- ❖ Country of origin**
 - ❖ Causative organism**
 - ❖ Symptoms**
 - ❖ Mode of Transmission**
 - ❖ Survival of the organism on different surfaces**
 - ❖ Countries effected and their Mortality rate (death rate)**
 - ❖ Prevention**
 - ❖ Treatment/vaccine**
 - ❖ Recovery rate in India V/S other countries**
- 2) Revise the covered syllabus of PT1.**

SOCIAL SCIENCE

1. Prepare a project report on the unfortunate crisis (Covid-19) the world is going through at present, especially in India. The following aspects may be explained :

- Origin of the crisis / History of COVID-19**
- How did it reach India?**
- Short note on ‘India under Lockdown’—highlighting the impact on the Indian economy and on the common man.**
- What measures are being taken to control the pandemic at present?**
- What measures to be taken for safety in future?**
- Short note on ‘India under Lockdown’—highlighting the impact on the Indian economy and on the common man.**
- On a political map of India, mark any 3 red, orange and green zones as per the fourth lockdown**

- On the physical map of the World, mark the originating country of the virus and five other countries which are severely affected by the virus.

You can use map, figures and newspaper cuttings to illustrate.

2. Do the work in your fair notebook, if you have not done.
3. Revise all the work done in the month of April and May

NOTE : Please note that the marks are for the content and not for the beautification of the file. There is no need to do the work on designer or coloured sheets. Plain A4 sheets or register sheets can be used. Also, only black and blue pen can be used.

It is time to put the available resources to optimal use and do the best with it.

SANSKRIT

- ❖ अवकाशकार्य – रचना अनुवादकौमुदी के अध्याय 01 से 05 तक के सभी अनुवादसम्बन्धी अभ्यासकार्य कपी में करें
